

	Wednesday October 8	Thursday October 9	Friday October 10
09:00		<b>Sensory</b> <b>Kristen Sorenson (Keele Uni, UK)</b> <i>"What can assist the adoption of novel interventions, technologies and evidence in rehabilitation? Examples from stroke and diabetic foot care pathways"</i>	<b>Keynote</b> <b>Clemens Becker (Heidelberg Uni, DE)</b> <i>"Use, Non-Use and Disuse of Digital Mobility Assessment and Outcome Measures"</i>
09:30			
10:00	Coffee/Registration		Coffee/tea Break
10:30	<b>Opening Keynote</b> <b>Simon Gandevia (NeuRa, AU):</b> <i>"Motor Impairment, where are we now?"</i>	8 abstract presentations	<b>Bone/Joint</b> <b>Sita Bierma (Erasmus/Delft Uni, NL)</b> <i>"Osteoarthritis research; a multidisciplinary approach"</i>
11:00		Coffee/tea Break	
11:30	<b>Muscle/Tendon</b> <b>Andrew Blamire (Newcastle Uni, UK)</b> <i>"What can magnetic resonance imaging tell us about muscle structure, function and metabolism and their relationship with motor impairment?"</i>	<b>Cardiovascular/Respiratory</b> <b>Simone Porcelli (Pavia Uni, IT)</b> <i>"Exploring O2 cascade from the ambient air to mitochondria in health and disease"</i>	6 abstract presentations
12:00		2 abstract presentations	
12:30	4 abstract presentations	<b>PULSE RACING TEAM DEMO</b>	
13:00			<b>Lunch &amp; Posters Session</b> Bone/Joint Upper extremities
13:30			
14:00	<b>Lunch &amp; Posters Session</b> Muscle/Tendon Balance/Gait	<b>Lunch &amp; Posters Session</b> Sensory; Brain Cardiovascular/Respiratory	
14:30			<b>Upper Extremity</b> <b>Edward Chadwick (Aberdeen Uni, UK)</b> <i>"Enhancing Upper Extremity Function: application of Musculoskeletal Modelling for the design and optimisation of assistive technologies"</i>
15:00			
15:30	<b>Balance/Gait</b> <b>Marla Beauchamp (McMaster Uni, CA)</b> <i>"Mobility as the 6th vital sign in the decade of healthy aging"</i>	<b>Brain</b> <b>Peter Feys (Hasselt Uni, BE)</b> <i>"The impact of brain impairments in MS on functional mobility performance, and rehabilitation strategies"</i>	4 abstract presentations
16:00			
16:30	<b>Stephen Lord (NeuRa, AU)</b> <i>"New technologies for fall prevention"</i>		
17:00	4 abstract presentations	5 abstract presentations	<b>Panel Discussion</b> <b>Poster Awards</b> <b>Closing</b>
17:30			
18:00		<b>Drinks</b>	
18:30			
19:00			
19:30	<b>Welcome Dinner</b> <b>at House of Watt</b>		
20:00
